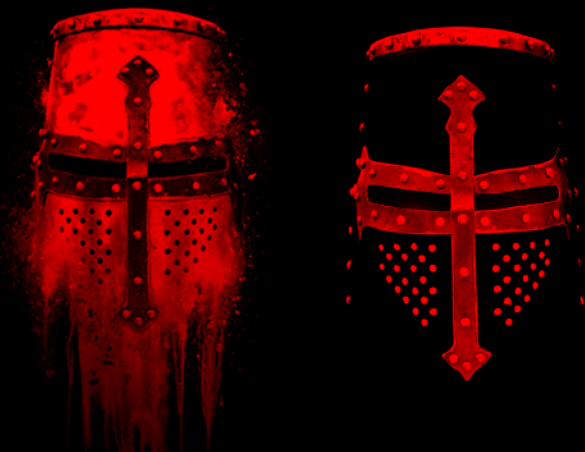

Fig. 01

The famous standard-issue Knight's Templar Helm. Dripping in blood signifying the violent nature of the crusades.

Fig. 02

One of the most powerful symbols in all of history, the driving force behind the Knights Templar – the Crucifix is deconstructed into a wash of blood.

Fig. 03

Two swords represent the original two poor knights on a horse, an original templar icon. The triangle represents the Holy Trinity and the Cross is the driving force behind their campaigns.

Fig. 04

The solar cross stands for the life giving property of the sun as well as eternal light. The four dots represent the four evangelists of the New Testament: Matthew, Mark, Luke and John.

Fig. 05

The four dots represent the four evangelists of the New Testament. The triangle represents the mysteries of the Holy Trinity.

Fig. 06

Templar grave slabs were often adorned with a cross on a stepped base. The slabs represent three virtues: Faith, Hope and Love. Their legacy persisted through death.

Fig. 07

The Eye of Providence represents the eye of God watching over all of mankind.

Fig. 08

The triangular shape signifies the mysteries of the Holy Trinity and the geometry used by the freemasons. The sign of the cross is their driving force.

Fig. 09

The circular shape signifies the perfection of God. The sign of the cross is their driving force.
